

Environmental Policy Statement

Cool Care India Pvt Ltd., recognizes the increasing importance and need to safeguard the environment and has made a commitment to meet all necessary environmental legislative requirements.

It is our Policy to comply with the Environmental Protection Act and any future changes in environmental legislation.

The Policy requires us to:

1. Operate in accordance with the Environmental Act.
2. To liaise with the enforcing authorities to eliminate any known problem or to identify environmentally known best practices.
3. Integrate the consideration of environmental concerns and impacts into all our decision making and activities.
4. Communicate our environmental commitment to clients, customers and the public and encourage them to support it.
5. To monitor and review environmental systems.
6. To promote efficient use of materials and resources throughout our facility and raise environmental awareness at all levels.
7. Work with our customers to meet Corporate Social Responsibilities
8. Strive to continually improve our environmental performance and minimize the social impact and damage of activities by periodically reviewing our environmental policy in light of our current and planned future activities
9. The company is committed to the prevention of pollution, the minimization of waste, consumption of resources and to actively encourage recycling in order to reduce our impact on the environment.
10. Waste chemicals and fluids are duly disposed of via approved and registered contractors and appropriate Waste Transfer notes to be completed and retained for a minimum period of two years.
